

CREEC Network

Filter for Environmental Education Quality

Environmental Education Service Providers:

Please use this filter to determine whether your organization and/or individual programs or resources meet these criteria for quality environmental education.

If you answer “yes” to any of the following questions, that specific resource would not be appropriate for the CREEC Network Online Environmental Education Directory.

Materials included in the Online Directory are subject to CREEC approval.

Does the resource...

Yes No

- | | | |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | a) advocate a specific point of view (political, economic, religious) |
| <input type="checkbox"/> | <input type="checkbox"/> | b) contain blatant advertising for the sale or profit of the project sponsor or developer |
| <input type="checkbox"/> | <input type="checkbox"/> | c) use fear (doom and gloom), guilt, or blaming to motivate? |
| <input type="checkbox"/> | <input type="checkbox"/> | d) contain biased, unsubstantiated, or factually inaccurate information? |
| <input type="checkbox"/> | <input type="checkbox"/> | e) attack or degrade an individual or organization/agency? |
| <input type="checkbox"/> | <input type="checkbox"/> | f) contain concepts, language, or activities that are targeted for school age students, but not age (developmentally) appropriate? |
| <input type="checkbox"/> | <input type="checkbox"/> | g) suggest activities or goals that are beyond the capability of students (e.g. knowledge, skill, maturity) to complete and have measurable success? |
